DEQ to host free Enviroschool class on MS4 permits

BATON ROUGE – The Louisiana Department of Environmental Quality is sponsoring a free Enviroschool class on “Understanding MS4 Permits: Municipal Separate Storm Sewer Systems” in six cities around the state. The training session will help municipalities and contractors understand the MS4 permits and will provide practical applications to clarify permitting issues. All classes will be held from 10 a.m. until noon.

The class schedule is as follows:

- **Baton Rouge**, Thursday, Jan. 23
Oliver Pollock Room
DEQ Headquarters, Galvez Building
602 N. 5th Street, Baton Rouge
- **New Orleans Area**, Thursday, Jan. 30
Jefferson Parish Library
Napoleon Room
4747 West Napoleon Avenue, Metairie
- **Lake Charles**, Wednesday, Feb. 5
LSU AgCenter
7101 Gulf Highway, Lake Charles
- **Pineville**, Wednesday, Feb. 12
Tudor Community Center
341 Bragg Street, Pineville
- **Lafayette**, Thursday, Feb. 20
LUS Facility
1314 Walker Road, Lafayette
- **Covington**, Thursday, Feb. 27
TBD – refer to website (<http://www.deq.louisiana.gov/portal/tabid/2601/Default.aspx>)

To register for any of the sessions, go to
